

BOUNCERGEAR INC.

NIGHTCLUB & BAR SECURITY ACADEMY

DS2700041

Do you want to become a Nightclub & Bar Security Professional?

Do you want to work as Band Security?

Do you want to work in a Casino or Event Security?

Do you want to branch into Close Protection Security?

If you said YES, then you need to be trained and CERTIFIED as a Nightclub & Bar Security Professional. You will need to learn:

- The Cooler – leadership qualities and responsibilities.
- Building the Machine – How to build a security team
- Dealing with intoxicated and/or drugged patrons
- ABT & ABC Rules and regulations
- Application of communication skills and conflict management
- Anger management and Self-control techniques
- De-Escalation skills
- Conflict Resolution – The Psychology of Bouncing
- SAR Matrix – Security Action Response Matrix
- Handling violent patrons – H.A.T. Self-Defense Training (video)
- Working the Door (Video)
- ID screening
- Working the Floor (Video)
- Working Parking lot
